<sup>\*</sup> Interest Earnings - Per Virginia Acts of Assembly - Chapter 732 - §3-3.03 - Approved April 10, 2016, the State Comptroller shall allocate revenue for interest earnings effective FY2016. Interest Earnings had not been allocated since FY2010.

<sup>\*\*</sup> Prior to October 1, 2014 and the implementation of the Commonwealth's new financial accounting and reporting system (Cardinal) all payments immediately reduced cash when processed (in CARS). The new Cardinal financial system operates on a modified accrual basis and cash balances are not affected until the voucher's due date. The Cardinal system generates an offsetting entry to a liability account (accounts payable) when the voucher is processed. Once the voucher due date arrives, the payment is made, the liability is relived and cash is now reduced.

<sup>\*\*\*</sup> Non-general fund Transfers required by Virginia Acts of Assembly Part 3-1.01F for expenses incurred by central service agencies due on or before June 30.

**EFFECTIVE DATE:** 

**AUTHORITY:** 

**POLICY STATEMENT:** 

# VBOA Policy #9

Inactive Status Procedure for Approval/Denial/Appeal

March 5, 2020

Code of Virginia § 54.1-4409.1(B) of the Code of Virginia and VBOA regulation 18VAC5-22-90(C)

A person who holds a Virginia license with the status of Inactive has a current license and has the privilege of using the CPA title. However, the person has demonstrated to the Virginia Board of Accountancy (VBOA) that they are not currently providing services, including on a volunteer basis, to the public (providing services that are subject to the guidance of the standard-setting authorities listed in the standards of conduct and practice in subsections 5 and 6 of § 54.1-4413.3) or to or on behalf of an employer (providing to an entity services that require the substantial use of accounting, financial, tax, or other skills that are relevant, as determined by the VBOA) and therefore is not required to meet the VBOA's CPE requirements.

Persons who hold an Active Virginia license must proactively apply for this status by submitting a change of license status request by completing and submitting the Inactive status application form which must be approved by the VBOA. Applicants not approved for this status are required to obtain CPE in accordance with VBOA statutes and regulations and will not be exempt from CPE requirements.

Persons currently under CPE audit may not apply for the Inactive status until the audit has been completed.

Only Active CPAs who have been licensed for five years or more may apply for this status. Exceptional circumstances, such as leaving the workforce in the first five years, will be considered through the appeal process. Applicants whose licenses were either voluntarily surrendered, suspended, or expired and need to be reinstated must obtain 120 CPE hours, including the ethics course as prescribed by the VBOA, and follow the appropriate process, application, and fees to reinstate into the Active status. After reinstating as an Active CPA, applicants may then apply for the Inactive status.

Procedure for approval/denial/appeal of Inactive status includes:

- 1. Application form must be submitted to the VBOA.
- 2. Upon receipt of form and supporting documentation, the Executive Director or designee makes the determination to approve or deny status change.
- 3. If approved by the Executive Director or designee, the status is changed and the applicant is informed of the change.
- 4. If denied by the Executive Director or designee, the applicant is informed of denial.
- 5. Following initial denial of the Inactive status pursuant to #4 above, the applicant may appeal the decision and may present additional documentation to assist the VBOA in

making a determination. The VBOA <u>Vice-c</u>Chair or designee will make the final determination of status.

- a. If approved by VBOA <u>Vice-c</u>Chair or designee, the status is changed and the applicant is informed of the change.
- b. If denied by VBOA <u>Vice-c</u>Chair or designee, the applicant is informed of denial and no further appeals are available.

APPROVAL AND REVIEW: This VBOA policy was reviewed on January August 29, 20227, 2020. January 9, 2023.

SUPPRESSION: This VBOA policy replaces Board Policy #9 that was effective on December 12,

If an accrediting organization is not listed above, it may be approved by the VBOA after it demonstrates its accreditation process and standards are substantially equivalent to the accreditation process and standards of the above major regional accrediting organizations.

The accrediting agency websites should list the accredited institutions. Contact the institution directly to determine if it is accredited through one of the recognized accrediting agencies. Many institutions do list the accreditation on the back of their transcripts.

#### **NON-ACCREDITED INSTITUTIONS**

The VBOA can approve a degree or coursework earned at a non-accredited institution; if the degree or coursework is evaluated by an education evaluation firm and determined equivalent with Virginia education requirements.

Additional information on approved education evaluation firms approved by the VBOA, as well as documentation requirements, may be found on the VBOA website at https://boa.virginia.gov/cpa-exam/requirements/education-evaluation-firms.

# COMBINED EDUCATION FROM ACCREDITED AND NON-ACCREDITED INSTITUTIONS

An accrediting organization may be approved by the VBOA after it demonstrates its accreditation process and standards are substantially equivalent to the accreditation process and standards of the major regional accrediting organizations.

#### INTERNATIONAL EDUCATION

Before the VBOA considers a degree or coursework earned outside the U.S., the individual must have the degree or coursework evaluated by an education evaluation firm approved by the VBOA to determine equivalency with Virginia education requirements.

#### **DETERMINING EDUCATION QUALIFICATIONS**

The VBOA has developed the Education Self-Evaluation Worksheet to assist candidates in evaluating if the education requirements needed to qualify for the CPA exam are being met.

The Education Self-Evaluation Worksheet is attached to this handbook on page 7.

# DOCUMENTATION REQUIREMENTS (TRANSCRIPTS)

When applying to take the CPA exam, candidates must provide documentation of education qualifications to the VBOA in the form of:

and/or

For complete information on the CPA exam process, visit the VBOA website at https://boa.virginia.gov/cpa-exam/apply/exam-application-steps. The Exam Application Steps are attached to this handbook on page 10.

#### **CPA LICENSE**

#### LICENSURE REQUIREMENTS

In order to become a licensed CPA in Virginia, an applicant must meet the 3 E's: education, exam and experience.

#### **Education**

An applicant seeking licensure must provide documentation from one or more accredited institutions:

- At least 150 semester hour credits of college education
- A baccalaureate or higher degree with an accounting concentration or equivalent

The VBOA recommends applicants incorporate at least some graduate-level study of accounting in meeting the 150 semester hour requirement.

The Graduate Study Recommendation is attached to this handbook on page 11.

Although 150 semester hours of education are required to be licensed as a CPA in Virginia, 120 semester hours and an accounting concentration or the equivalent is the minimum hours required for an exam candidate to sit for any part of the CPA exam.

#### Exam

An applicant must pass the CPA exam with a score of 75 or higher on each section, within an 18-month period, prior to applying for licensure.

#### **Experience**

During the licensure application process, applicants are required to complete an Experience Verification Form. The experience must be verified by an actively licensed CPA from any jurisdiction.

According to § 54.1-4400 of the Code of Virginia, the VBOA defines experience as an applicant being employed in academia, a firm, government, or industry in any capacity involving the substantial use of accounting, financial, tax or other skills that are relevant, as determined by the VBOA. The applicant must complete at least 2,080 work hours, or equivalent to one year of full-time employment. Whether other skills are relevant shall be determined by the VBOA on a case-by-case basis. Self-employment does not meet the definition of prior experience.

If a candidate applies for licensure in Virginia, has passed the CPA exam in a state other than Virginia and that state is considered substantially equivalent as defined in Code of Virginia § 54.1-4411, and obtained a minimum of 150 hours, from one or more appropriately accredited institution(s), the VBOA's accounting concentration or equivalent requirement will be considered satisfied. Official transcripts and/or education evaluation will still need to be sent to verify the completion of the 150-hour requirement.
